CHIME LIVE

Audience Engagement with Live Video

Chime Live can help overcome the challenge of bringing remote presenters and participants together for your event. At home, at work or at the venue, Chime Live connects everyone via live stream, enabling you to carry on with keynote presentations, topic streams and breakouts as planned.

Chime Live combines high quality video streaming in our award-winning Chime attendee platform to deliver engaging, transformative and insightful meetings. The interactive features help overcome distractions and keep engagement levels high. Post-event, you can share recorded sessions for participants who missed or want to replay a session. Also, enjoy access to Chime Live's analytics to help you evaluate, improve and report on valuable results.

CAPABILITIES

- Present keynotes, tracks & breakouts

- Allow participants to view presentation and take notes

- Give the audience an opportunity to ask questions and up-vote their favourite ones

- Polling, word clouds, and heatmaps

- Capture feedback

- Build in opportunities to network with chat and social media

BENEFITS

- Compatible with any platform

- Access engagement & ROI analytics

- Deliver sessions live or on-demand

- Presenter support team

POTENTIAL APPLICATIONS

- Continuing Education Series
- Multi Space Events
- Conferences

ENCORE

CONTENT1
Virtual Content Management

Content1 delivers a vibrant web presence to virtual attendees, provides speakers with a platform to share their content, offers presenters the ability to record audio tracks for both presentations and posters that helps bring their content to life. The Content1 platform makes it easy to organise and deliver your event's content whether it is live or on-demand.

With its intuitive design and easy navigation, Content1 allows you to deliver live or on-demand presentations with ease. In addition to on-demand, content can be released on a schedule to closely simulate a face-to-face event.

CAPABILITIES

- Deliver live and pre-recorded presentations simultaneously

- Upload content from any location

- Handouts, disclosure Forms, and questionnaires

- Record and present virtual ePosters

- Send invitation emails and reminders

- Allows 3rd party integration

- Secure login

BENEFITS

- Accessible from any location and device with internet access

- Automated presentation conversion to web-ready format

- Deliver concurrent sessions, live or on-demand

- Presenter support team

POTENTIAL APPLICATIONS

- Training
- Tradeshows
- Conventions

ENCORE

CONTENT1 VIRTUAL

Display meeting content virtually for your attendees to access long after the show ends. Our Content1 platform is an online content repository that helps keep presentation organised and readily available. Content1 works especially well for meetings or tradeshows with multiple presentations or exhibitions with a mix of live and on-demand delivery over several days.

MANAGED WEBINAR
The High-Definition Live stream Event

Deliver a professional virtual webinar that's easy to use and supported by Encore's team of experts. Encore's managed webinar services are ideal for speakers presenting to any sized group of attendees. Our team of experts will walk you through the setup and management of your webinar. You will have full support alongside you while you present to ensure that your event is a success.

Your presenters can share presentations and videos with others at the push of a button. If an attendee is unable to view the presentation on a computer or mobile device, a dial-in number can be provided. No matter the occasion or need, Encore's team of experts is ready to assist you in coordinating your virtual webinars.

CAPABILITIES

- Stream and record your webinar

- Post event production available

- Password protection and lobby available

BENEFITS

- Accessible from any location or device with internet access

- Faster turnaround

- Connect remote speakers to audience

- Secure

- Muted background noise

- Virtual stage manager available

POTENTIAL APPLICATIONS

- Internal Trainings

ENCORE

MANAGED WEBINAR

Interactive conversations over great distances has never been easier. Keep the conversation flowing and deliver a polished, high-definition live steam event to large audiences.

MEETING
from $1,800

- **UP TO 8 HOURS**
- **UP TO 5 PRESENTERS**
- **UP TO 500 PARTICIPANTS**
- **DEDICATED TECH SUPPORT**
- **PASSWORD PROTECTION & LOBBY AVAILABLE**

The Meeting Package is great for a quick meeting for up to 500 participants where an interactive conversation is needed. The dedicated webinar specialist will ensure the meeting is secured and everyone gets connected. Participants with distracting background noise can be muted.

CONFERENCE
from $9,000

- **UP TO 8 HOURS**
- **UP TO 10 PRESENTERS OR PANELISTS**
- **UP TO 3,000 VIEWERS**
- **VIRTUAL STAGE MANAGER AND DEDICATED TECH SUPPORT**
- **RECORDED**

The Conference Package is ideal when a group of presenters or panelists need to deliver their message to a large audience. Presenters are moved on and off the "stage" according to the schedule, or panelists will be able to all participate together. A stage manager ensures the meeting flows smoothly while the webinar specialist handles the technical needs. The meeting can be recorded and delivered as an MP4 following the event.

Post-Event English > English Transcription (transcript on CC) per content hour $180

ENCORE CONNECT
Video conferencing

Take advantage of our dedicated video conferencing solution to enable you host meetings conveniently and cost effectively.

Encore Connect is our all-in-one video solution to turn boardrooms into huddle spaces. In addition to virtual face-to-face meetings, speakers can share presentations and videos easily, plus multiple presenters can share their content. If participants are unable to access the presentation on a computer or mobile device, a telephone dial in number can be provided.

Encore Connect is ideal for boardroom meetings of 2-20 people.

HIGH QUALITY VIDEO AND AUDIO

The HD video and quality audio enables the participants to experience the presentation as if they were in the room even if they are in another state or country?

A key benefit is our rehearsal feature where you or your presenter can enjoy one-on-one support to test the connection, optimise the appearance, sound and lighting ensuring your participants get a professional virtual meeting experience.

POTENTIAL APPLICATIONS

- Virtual face-to-face meetings
- Boardroom presentations
- Hybrid events

ENCORE

ENCORE CONNECT

Faster decision making in meetings, quicker responses from stakeholders and the ability to fast-track solutions are all achievable through the use of video conferencing.

CAPABILITIES

- HD quality video and audio

- Incorporate remote presenters into a live meeting

- Invite people to connect using any phone, tablet, laptop, PC or H.323/SIP compatible video conferencing system

- Instantly receive an Mp4 recording of the meeting which you can choose to share with participants

- Built in collaboration tools

BENEFITS

- Turn any boardroom into a connected huddle space

- Enable remote participants to be part of the meeting

- Easy to use

- Engaging and interactive

- Product looks professional and polished

- Secure
